Sat, 03 Feb 2018 23:59:00 GMT Progress in Brain Research | Glial cell function ... - The topic of how glial cells react to brain injury and how they participate in neuroprotection and brain repair is covered in section four of this book. As our knowledge about the

molecules involved in the regenerative properties of glia increases, new avenues are open for the use of genetically modified glia with therapeutic purposes. Thu, 29 Nov 2018 16:38:00 GMT Glial Cell Function (Paperback) (Progress in Brain ... - The main glial cell types are, in the central nervous system, astrocytes and oligodendrocytes and, in the peripheral nervous system, Schwann cells, enteric glial cells and satellite cells.
